PROGRAM REPORT

Event Type	Student Seminar
Title of the Event	A one day session on "Industry 4.0 product development"
Event date/s	27/04/2024
Duration (d/w/m)	One day
No of Participants	51
Resource Person/s Details	Dr.S. Suresh Kumar, Associate professor and head EDC QUIS College of engineering and technology.
Organized by	The Department of Business Administration in association with Entrepreneurship Development Cell (EDC) & IIC
Mode of Seminar Delivery	Offline
Description Of the Event	The Department of Business Administration, in collaboration with the Entrepreneurship Development Cell (EDC) and the Institution Innovation Council (IIC), is organizing a one-day seminar titled "Industry 4.0 Product Development". The event will provide an engaging platform to explore the latest advancements and methodologies in Industry 4.0, a paradigm shift in manufacturing and product development processes. The seminar will feature a distinguished speaker, Dr. S. Suresh Kumar, Associate Professor and Head of EDC at QUIS College of Engineering and Technology. Participants will gain insights into cutting-edge technologies such as IoT, AI, robotics, and smart manufacturing, fostering innovative thinking and practical understanding of product development in the Industry 4.0 era. The session will be conducted offline on 27th April 2024, with 51 participants from various disciplines, aiming to bridge academic knowledge and industrial practices.

Entrepreneurship Development Cell**

Objective of the Event	1. To introduce the principles and components of Industry 4.0 and their applications in product development. 2. To provide a comprehensive understanding of emerging technologies such as IoT, machine learning, robotics, and big data analytics in the industrial context. 3. To encourage participants to explore entrepreneurial opportunities within the framework of Industry 4.0. 4. To enable students to conceptualize and design innovative solutions tailored to the demands of modern industries. 5. To promote collaboration and knowledge sharing between academia and industry experts.
Outcome of the Event	1. Participants will acquire a clear understanding of the Industry 4.0 ecosystem and its impact on product development. 2. The session will empower students with practical knowledge of advanced technologies and tools relevant to smart manufacturing. 3. Participants will be able to identify potential areas for innovation and entrepreneurship aligned with Industry 4.0. 4. Enhanced capability among students to integrate theoretical knowledge with real-world industrial applications. 5. Strengthened collaboration between academic institutions and industry leaders, paving the way for future partnerships. This seminar promises to be an enriching experience, inspiring students to embrace innovation and contribute meaningfully to the evolving industrial landscape.

Subject: Invitation to Dr. Venkatesh Kondaveti for Guest Lecture on **How to plan for start-up and legal & ethical steps.**

Dear Dr. Venkatesh Kondaveti,

I hope this email finds you well. On behalf of SRK Institute of Technology, Vijayawada, I am writing to extend a warm invitation to you to serve as a resource person for a guest lecture on **"How to plan for start-up and legal & ethical steps"** at our institution.

We have heard of your esteemed expertise in the field of research, innovation, and start-ups, and we believe that your insights and experience will greatly benefit our students. The lecture is scheduled to take place on 27-03-2024 in BLOCK-A, Seminar Hall, and we would be honored to have you as our esteemed guest.

The objective of the lecture is to inspire and educate our students about the importance of research, innovation, startup and entrepreneurship in today's dynamic world. We are particularly interested in learning about funding proposals and strategies for launching successful start-ups, areas where we understand you have valuable experience.

Your valuable contributions and knowledge-sharing will undoubtedly leave a lasting impact on our students, motivating them to pursue excellence in their academic and entrepreneurial endeavors.

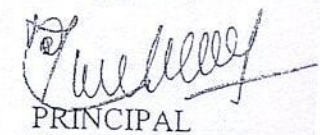

If you are available and willing to participate, kindly confirm your availability at your earliest convenience. Additionally, please let us know if there are any specific topics or areas of focus you would like to address during the lecture.

We are flexible with scheduling and can accommodate any preferences you may have. Furthermore, we will take care of all necessary arrangements, including travel arrangements and accommodation, if required.

Thank you for considering our invitation. We look forward to the possibility of welcoming you to our campus and benefiting from your expertise.

Warm regards,

Program Report

Session on “How to Plan for Start-up with Legal and Ethical Steps”!

In order to encourage the students towards Innovation and Entrepreneurship, IIC (Institution's Innovation Council) of SRK Institute of Technology organized a Session on **“How to Plan for Start-up with Legal and Ethical Steps”** on 27th Mar 2024 from 02:00 pm at second floor seminar hall Block A.

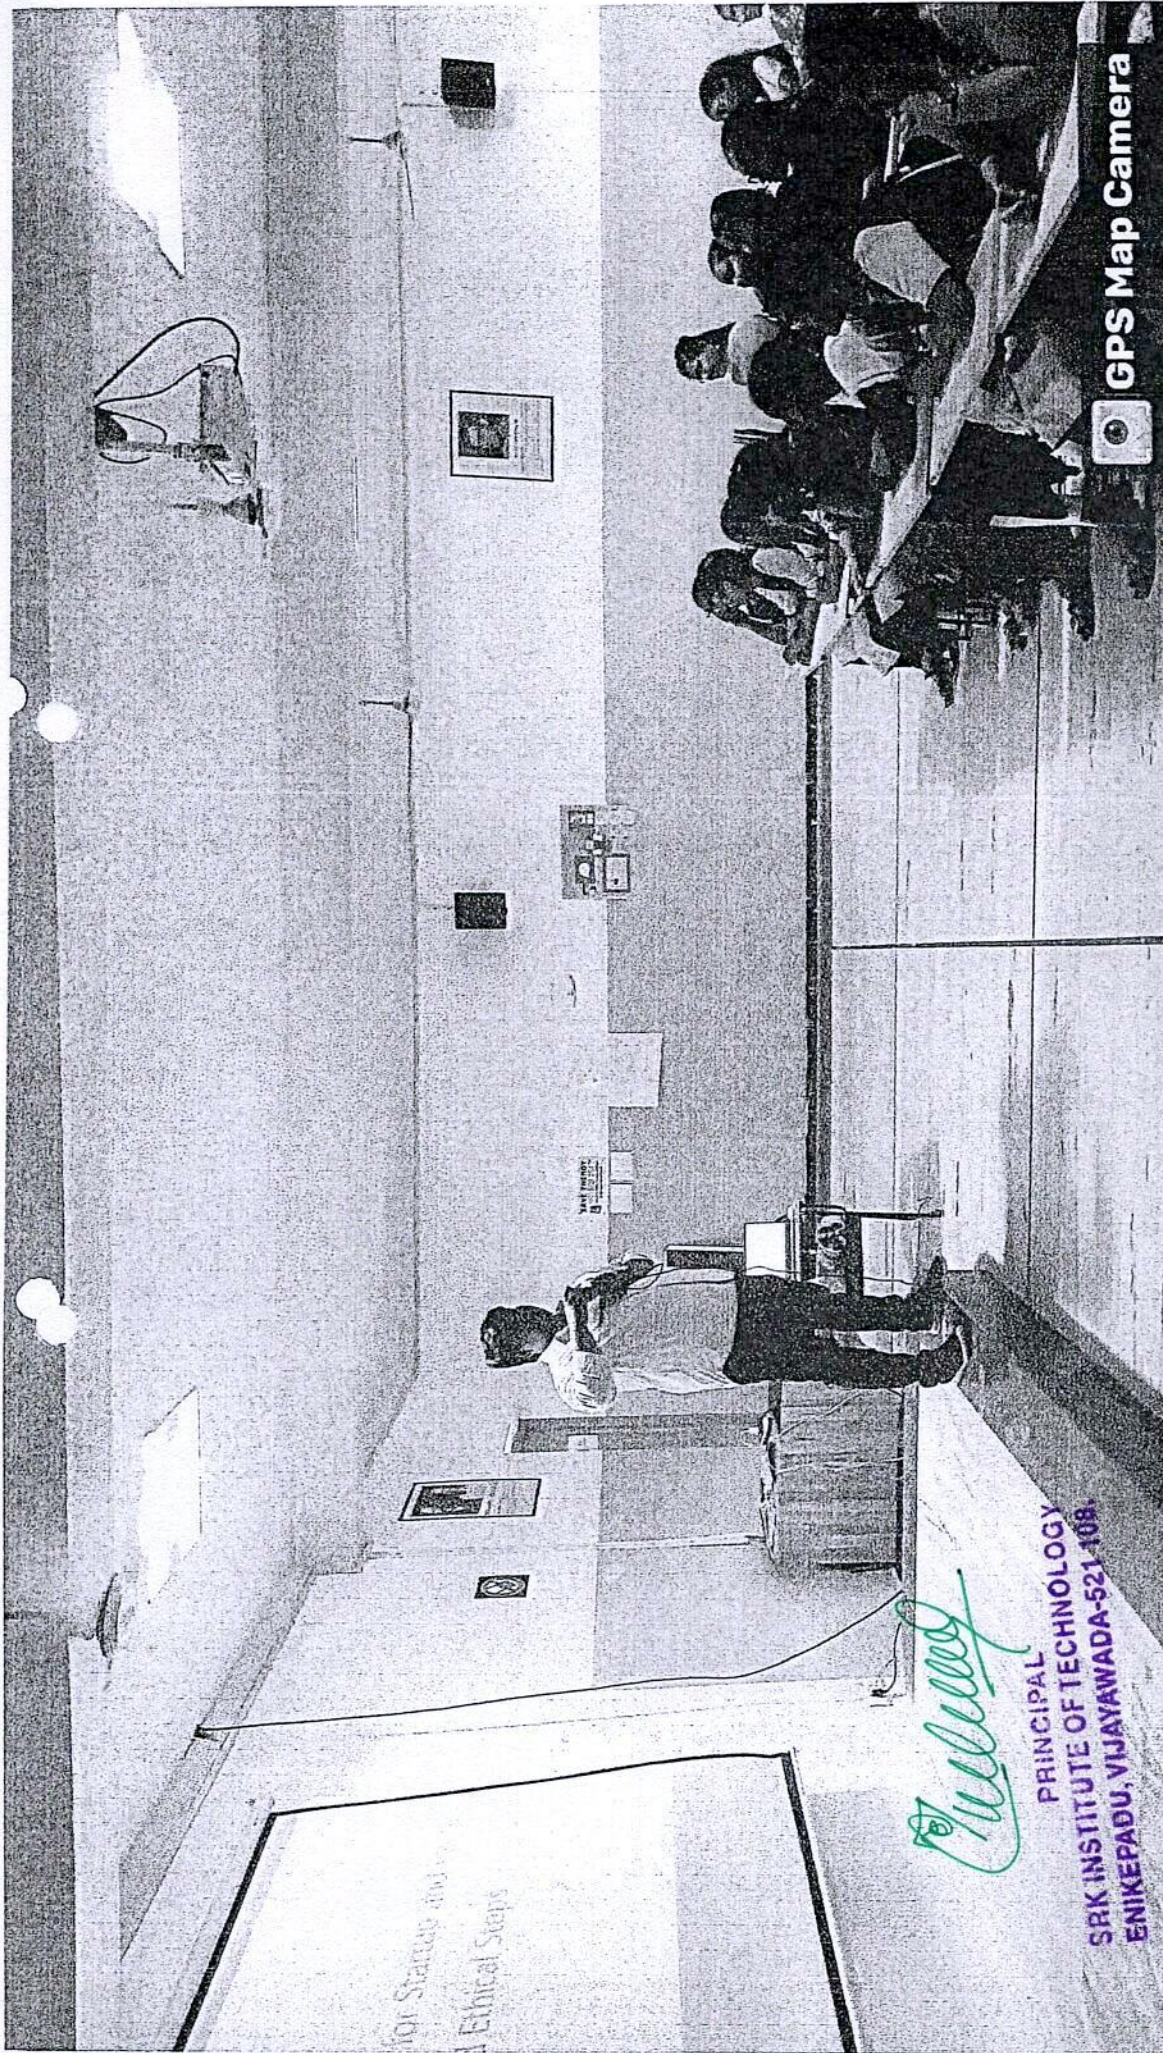

The program began with welcome note by Ms. Dr. P. Kishore Kumar President of IIC (Institution's Innovation Council) of the Program, welcomed all the delegates and resource person Dr. Venkatesh Kondaveti, associate and dean R&D, Ramachandra College of Engineering, Eluru.

The objective of the session was to spread awareness about **“How to plan for start-up with legal and ethical steps”**. Dr. Venkatesh Kondaveti, associate and dean R&D, was invited as resource person.

The program session explains the basics of startups, including its initiation, raising funds, legal and ethical aspects of startups. During the session, he gave a very informative insight to all attendees regarding the need to develop a right approach for setting up any startups. He emphasized upon the need to develop an entrepreneurial approach, necessary for the growth and success of any business and provided the platform to the students to ask questions which made the session highly interactive.

His session served as a motivation and encouragement for young students who are aiming to become successful entrepreneurs. The session was of great benefit for all the young innovators who are planning for their startup and business. The session boosted their motivation to the next level. The students asked questions during the program. The resource person gave the answers to the questions asked by the students.

Date: 05-08-2023

PROGRAM REPORT

Name of the Program	: Guest Lecture on “ INDUSTRIAL EVOLUTION [IR] FOR INDIA’S DEVELOPMENT: OPPORTUNITIES AND CHALLENGES ”
Dates	: 04 th August 2023
Resource Person	: Dr. K. Murali Krishna
Number of Participants	: 133
Program Objective	: The main objectives of industrialization are: To increase Efficiency and Productivity, Economic Growth, Self-sufficiency, Reduction of Unemployment, To Raise Standards of Living and to provide Global competitiveness.
Topics Covered	: The topics covered in this program are • How labour market will be impacted & the role HR managers need to play. • How the healthcare industry would be changing due to disruptive Technologies. • A majority of the population of India lives in rural areas. What Would be an impact of 4IR on this demographic segment? • Optimistic & pessimistic views on Indian Economy.
Program Outcome	: The Industrial Revolution shifted societies from an agrarian economy to a manufacturing one, with products being made by machines rather than by hand. This led to increased production and efficiency, lower prices, more goods, improved wages, and migration from rural areas to urban areas.

DEPARTMENT OF BUSINESS ADMINISTRATION

Description

The Department of Business Administration in association with Institution Innovation Council (IIC) and Entrepreneurship Development Cell (EDC) organised a One Day Seminar on **"Lean Start-up & Minimum Viable Product/business"** by an eminent speaker Dr. Ganesh KVB, Associate Professor, KL Business School, on 15/07/2023 from 10:00 am at MBA Seminar hall Block C.

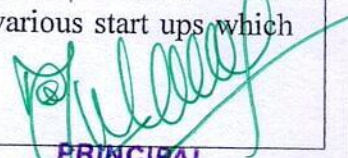

The objective of this seminar is to address issues relating to start ups by following definite principles and methods person before materializing his idea of starting up a business. The Seminar commenced with the opening remarks presented by Dr. T. Satyanarayana, Principal In-charge, he emphasized the importance of start ups in the present scenario.

Dr. B. Krishnaiah, HoD of Department of Business Administration presented the key note address of seminar. In his speech he focused on how the earlier start ups were got succeed by investing their ideas in to reality.

Dr. K. Kishore Kumar, HoD of Mechanical Department and also the Coordinator of Institution Innovation Council (IIC) highlighted the procedure in approaching the government department and other venture capitalist to get the funding for the viable business idea.

Mr Shaik Shafiullah, Assistant Professor and program Coordinator presented the profile of the resource person. The technical session was commenced by the resource person Dr. Ganesh KVB, Associate Professor, Department of Commerce and Management, KL Business School, with the introduction and meaning of Start Ups

His Presentation also includes the reasons why start ups are important and differentiate the start up and lean start up. He highlighted various start ups which now became major giant companies.

He also gave the examples of several companies which are now in to the pathetic conditions for not following certain principles and norms in dealing with sensitive product or business. He also states every business idea should go with feasibility study and have to be tested before materializing.

At the end of seminar the resource person answered the queries raised by the participants in an interpretive manner by taking live examples. The participants have also given their feedback about the how this seminar helped them in gaining knowledge on some useful insights can be applied in start ups.

The seminar was attended by 73 students of MBA & Integrated MBA of SRK institute of technology and it was very enriching for the participating Students.

The Seminar was concluded with vote of thanks proposed by Mr Shaik Shafiullah, program coordinator and Assistant Professor, Department of Business Administration.
