The Department of CSE has participated in **"Workshop on Cloud Infrastructure (AWS)"** in association with **BRAIN O VISION** from 21-08-2023 to 25-08-2023 during 7.00 pm to 8.00 pm. The program has started with a motivational talk by the chief guest Dr. Buddha Chandrashekar, co-ordinating officer, AICTE, on the importance of attending the technical workshops. After the speech, the program was conducted as per the schedule given.

In total 54 faculty from 15 Engineering Colleges across India have attended for the workshop. At the end of the workshop the faculty were able to:

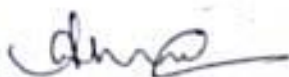

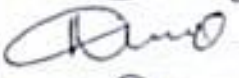

1. Explain the core concepts of the cloud computing paradigm like:
How and why this paradigm shift came about, the characteristics, advantages and challenges brought about by the various models and services in cloud computing.

PRINCIPAL
SRK INSTITUTE OF TECHNOLOGY
ENIKEPADU, VIJAYAWADA-521 108.

2. Apply fundamental concepts in cloud infrastructures to understand the tradeoffs in power, efficiency and cost, and then study how to leverage and manage single and multiple data centres to build and deploy cloud applications that are resilient, elastic and cost-efficient.
3. Discuss system, network and storage virtualization and outline their role in enabling the cloud computing system model.
4. Illustrate the fundamental concepts of cloud storage and demonstrate their use in storage systems such as Amazon S3 and HDFS.
5. Analyze various cloud programming models and apply them to solve problems on the cloud.

ABOUT SRIT:

SRK Institute of Technology is a non-profit organization established under the flagship of SRK Foundation in 2007. The institution was born out of the benign vision of eminent educationist and industrialist, Sri B. S. Appa Rao, Hon'ble Chairman and Sri BS Sri Krishna Hon'ble Secretary who desired of providing quality education to the rural and semi urban students. The institution is located on the National Highway 16 in the city of Vijayawada, also known as the cultural capital of Andhra Pradesh, on the banks of river Krishna. Its location makes it one of the most accessible colleges.

The institution was approved by AICTE, New Delhi on 30th August 2007 and the government of Andhra Pradesh. The institution is permanently affiliated with Jawaharlal Nehru Technological University, Kakinada & also accredited by NAAC 'A' grade. The institution is also certified by ISO 9001-2015. The UGC has granted Autonomous status from the Academic year 2023-24 onwards.

About the Department of Business Administration

The Department of Business Administration was established in the year 2009 with an intake of 60 students offering single specializations in the areas of Finance, Marketing, Human Resources & and healthcare care, and Hospital Management.

The Master of Business Administration is a Master's level program that is concerned with the examination of the techniques as well as hypotheses that are involved in the administration of a business. Knowledge imparted in the MBA program extends out to developing managerial skills, and business expertise, building competitive advantage, and enhancing career advancement for professional growth.

Five-Year Integrated MBA (BBA+MBA)

In the year 2014 the department of business administration commenced five years integrated MBA programme in affiliation to JNTU Kakinada for the students who qualified 10+2 are eligible for admission. It is designed to prepare the students with a global management perspective through a unique pedagogy of learning and interaction among peers in a modular format. Activities like live projects, field assignments and simulation games will form an integral part of the programme and help to achieve holistic learning and also provide for a comprehensive understanding of the contemporary business environment.

About the FDP

- Teaching with cases is an integral part of management education today. The outcomes of this approach are more participation by students, highly stimulating classroom discussions, students better prepared for real-life corporate realities/issues, learning becoming multi-dimensional and interdisciplinary – and a renewed joy in teaching and learning.

This FDP aims to: bring out the strengths of the case method in teaching, motivate the participants to adopt 'case teaching' as an additional pedagogical tool in the delivery of their future courses, equip participants to teach cases more effectively, and expose them to the craft of case writing

PROGRAMME OBJECTIVES:

This programs intends to

- Train the participants to teach through cases and become successful case teachers
- Expose participants to alternative approaches to case teaching
- Enable case teachers to orient students for learning with cases.
- Build participant's competency to develop and plan case-based courses.
- Provide insights into the process of managing classroom discussion
- Sensitize participants to assessment and evaluation through the cases.

PROGRAMME CONTENTS

- What is a "Teaching Case"? Pros and Cons of Case Method of Teaching
- Approaches for developing a Case Study
- Preparing for Case Session, Alternative approaches to case teaching.
- Discussion-based Teaching
- Assessment and evaluation through cases
- writing effective case studies and teaching notes.

WHO SHOULD ATTEND?

This FDP is designed for the current and prospective teachers in academic institutions and corporate trainers. This FDP will benefit: (a) all those teachers who are new to the case based teaching; and (b) even those teachers who have case teaching experience, but want to further improve their case teaching effectiveness.

FDP will also be useful to the research scholars who intend to join teaching profession in due course of time. A certificate of participation shall be provided to all the participants.

PROGRAMME DELIVERY:

The program will be in online mode. The program will be facilitated through Zoom platform.

Resource Person

The Session of the FDP will be conducted by the domain experts from different Universities and reputed colleges and possible speakers for FDP are :

- Prof M Srinivasa Narayana,**
Department of MBA, Coordinator of CDOE, KL University, Guntur District

Organised by

DEPARTMENT OF SCIENCE AND HUMANITIES
Enikepadu, Vijayawada - 521 108.

About the College:

Sri B. S. Appa Rao, an eminent educationist and senior industrialist with wide experience established SRK Foundation, in the year 2007 for providing quality and excellent education at international standards. The SRK Foundation is located at Enikepadu, Vijayawada on NH-5, towards Eluru.

The Department of Science and Humanities is a threshold for students entering into professional courses. It lays a strong foundation to the major engineering courses offered by the Institute. The department is a blend of many disciplines - English, Mathematics, Physics, Chemistry and Environmental Sciences. The courses offered by the department are English, Mathematics, Engineering Physics, Engineering Chemistry, Applied Physics, Applied Chemistry, Environmental Sciences and many more like Employability Skills, Constitution of India and Universal Human Values. The department has many experienced, research oriented faculty who actively publish papers in various National and International journals regularly. Apart from the academics, the department conducts many co-curricular and extracurricular activities for students.

Vision:

To inculcate in young minds the value based education with quality thereby creating better engineers to serve and lead the society.

Mission:

To acquire basic skills in sciences and humanities.

To develop creativity and an innovative attitude. To instill holistic personality.

About the Event:

Modern research begins with a robust planning phase. Researchers now use advanced tools such as bibliometric analysis and AI-driven literature reviews to identify research gaps effectively. Methodology development emphasizes transparency and reproducibility, often supported by open science practices.

Writing a compelling paper requires clarity, coherence, and adherence to journal-specific guidelines. In the 21st century, ethical compliance has gained prominence. This includes rigorous plagiarism checks, data sharing policies, and adherence to guidelines for authorship and acknowledgments.

As a part we are conducting a one-day Faculty Development Program online on 09-05-2024.

NAME OF THE EVENT	: Essentials for the Patent Drafting
START DATE	: 09-05-2024
END DATE	: 10-05-2024
TIMINGS	: 10.00 AM to 12.00 PM
RESOURCE PERSON	: Dr. S. Jayavelu, Associate Professor, Veltech, Rangarajan Dr. SagunThala R&D Institute of Technology.
NAME OF THE COORDINATOR	: Mr. U. Tanoj
NUMBER OF PARTICIPANTS	: 26
PLATFORM / SOURCE	: Online / MS Teams

The Department of Mechanical Engineering has organized a Two-day online faculty development program on "Essentials for the Patent Drafting" from 09-05-2024 to 10-05-2024 at our college. The main intension of the program is to provide knowledge in Patent drafting & its types. This Two-day online faculty development program was inaugurated by the following eminent personalities on 09-05-2024.

1. Dr. S. Jayavelu, Associate Professor, Veltech, Rangarajan Dr. Sagun Thala R&D Institute of Technology.
2. Dr. P. Kishore Kumar, HOD, Mechanical, SRK Institute of Technology.

Mr. U. Tanoj Coordinator of the FDP, welcomed all the participants followed by an introduction of the resource person by Dr. P. Kishore Kumar, HOD, Mechanical. In the welcome speech by Dr. S. Jayavelu sir, He highlighted the objectives of Essentials for the patent Drafting followed by its design types & claims.

In these Two days he shared the knowledge of various types of patents & its criteria in current scenario for developing a better world & how a faculty can excel in implementing these techniques & increasing their knowledge & proficiency in various types of patent drafting trademarks & its copyrights. He requested the participants to disseminate the knowledge gained in such type of programs to their co-faculty & colleagues for better understanding. The session is very interactive & the faculties of respective departments had clarified many doubts with some queries suggested by Dr. S. Jayavelu for gaining knowledge about the current claims & types of patentability criteria in all aspects.
